*Eyes protection:* safety glasses. Avoid contact with eyes

*Skin protection:* not necessary, but take off contaminated clothes and wash before wearing them again.

## 9. PHYSICAL AND CHEMICAL PROPERTIES

### 9.1 General information

- *Physical state 20°C:* *Gel liquid transparent*
- *Colour:* *Transparent Grey*
- *Smell:* *Caramel Vanilla*

### 9.2 Important information about human health, safety and environment

- *Ph:* *4,50-5,80*
- *Boiling point:* *N.AP.*
- *Flammability point (liquids):* *N.AP.*
- *Flammability:* *N.AP.*
- *Explosive properties:* *not explosive*
- *Combustive properties:* *not combustive*
- *Steam pressure:* *N.AP.*
- *Relative density:* *0.99 – 1.03*
- *Water solubility:* *soluble in water*
- *Lipid solubility:* *not lipid soluble*
- *Viscosity:* *1100 – 5000 mPas*

### 9.3 Other information

Not available

## 10. STABILITY AND REACTIVITY

The product is steady in normal conditions of use and storage.

### 10.1 Situations to avoid

High temperatures

### 10.2 Materials to avoid

No material in particular. Anyway avoid to pollute the product

### 10.3 Dangerous products of decomposition

N.AP.

## 11. TOXICOLOGIC INFORMATION

- *Ingestion:* N.AV.
- *Inhalation:* N.AV.
- *Skin :* *The formulation doesn't unveil any suspicious raw materials. Patch test excludes eventually suspicious; Protocol N. SI.01.C\_2009/665*
- *Eyes contact:* *light irritation*
- *CMR effects:* N.AP.  
*No effect proved on mankind*

## 12. ECOLOGICAL INFORMATION

Use it in a good way avoiding to waste it in the environment

- Eco-toxicity N.AV.
- Mobility N.AV.
- Persistence and degradability degradable product
- Bioaccumulation potential not bio accumulated
- BPT assessment results: N.AP.
- Other harmful effects: N.AP.

## 13. OBSERVATIONS ABOUT DISPOSAL

Elimination of the material: send to authorized disposal plants

Container disposal: see local or national laws

## 14. OBSERVATIONS ABOUT TRANSPORT

*Railway and road haulage: ADR/RID* N.C.  
*Right denomination for shipment:* N.AP.

*Sea transport: IMO/IMDG* N.C.  
*Right denomination for shipment:* N.AP.

*Air transport: IATA/ICAO* N.C.  
*Right denomination for shipment:* N.AP.

## 15. INFORMATION ABOUT REGULATIONS

*Classification according to regulations about dangerous substances and preparations (D.L. 14.03.03 n.*

65):

*NOT CLASSIFIED PRODUCT*

Caution suggestions:            S25 Avoid contact with eyes  
   S26 In case of contact with eyes, wash with a lot of water immediately

Instructions to be indicated compulsorily on the label (Law 713/86 and following adjustments):

*No instruction in particular*

Other warnings:

- External use
- Do not swallow
- Do not use if the container is damaged
- Keep away from children
- Do not dilute or drink directly from the container

## 16. OTHER INFORMATION

16.1 Uncut text about pertinent R sentences

R 36/38     Irritant for eyes and skin

R 38        Irritant for skin

R 43        It can cause sensitization to contact with skin

R 50/53    Highly toxic for water organisms; long-term it can cause negative effects for the water world

R 51/53    Toxic for water organisms; long-term it can cause negative effects for the water world

16.2 Vocational course warnings

We wrote this information using our knowledge as best we could. Their character is for information only and they are not a guarantee. The product is used under users' control, thus they have the responsibility to follow the instructions reported on the sheet and the general industrial hygiene practices.

16.3 Advices on the use and possible restrictions

Do not use the product for other purposes. If so the user could be expose to unexpected risks.

16.4 Other information

The product is going to be registered in the archives of ISS (Health Superior Institute).

The information here reported are based on our current knowledge. We remind you the user has to make sure of the suitability and completeness of the information according to the specific use of the product. Therefore we cannot take any direct or indirect responsibility, not even in case of inappropriate use. This sheet cancels any previous edition.
